# PRESIDENT'S MESSAGE

Khalid AL-Dukhayyil  
President

Since its inception in 2003, and at the forefront of industry in Saudi Arabia, **Prime Source Group (PSG)** is today widely diversified in several growth industries that cover steel, cement products, wood industries, industrial services, fencing, engineering, automation, transportation and contracting. Consistently, the group has emerged as a market leader in fields they have ventured.

# OUR VISION

**Prime Source Group**, will be recognized as the leader of it's industry in the middle east, and it is been considered as the prime customer choice and employer of choice.

# MISSION STATEMENT

- To provide high quality products services and excellent customer view.
- To be the prime source for construction material and services for all construction industries and stake holders.
- To contribute to the development of the construction sector.

# VALUES

## 1. **Quality.**

We have an obsessive commitment to quality and continual improvement.

## 2. **Commitment.**

We are dedicated to delivering quality and value our customers.

## 3. **Integrity.**

Take pride in everything that is fair, honest and knowledgeable and build trust in every situation

## 4. **Customer Focus.**

We care more and that what makes us unique.

## 5. **Teamwork.**

We achieve more by working as one hand.

→ Employees

→ Customers

→ Suppliers

## 6. **Reliability.**

Our determination, discipline and sense of responsibility ensure our reliability and demonstrate that we are here to rely on.

## 7. **Innovation.**

Good is never enough, we seek for the best.

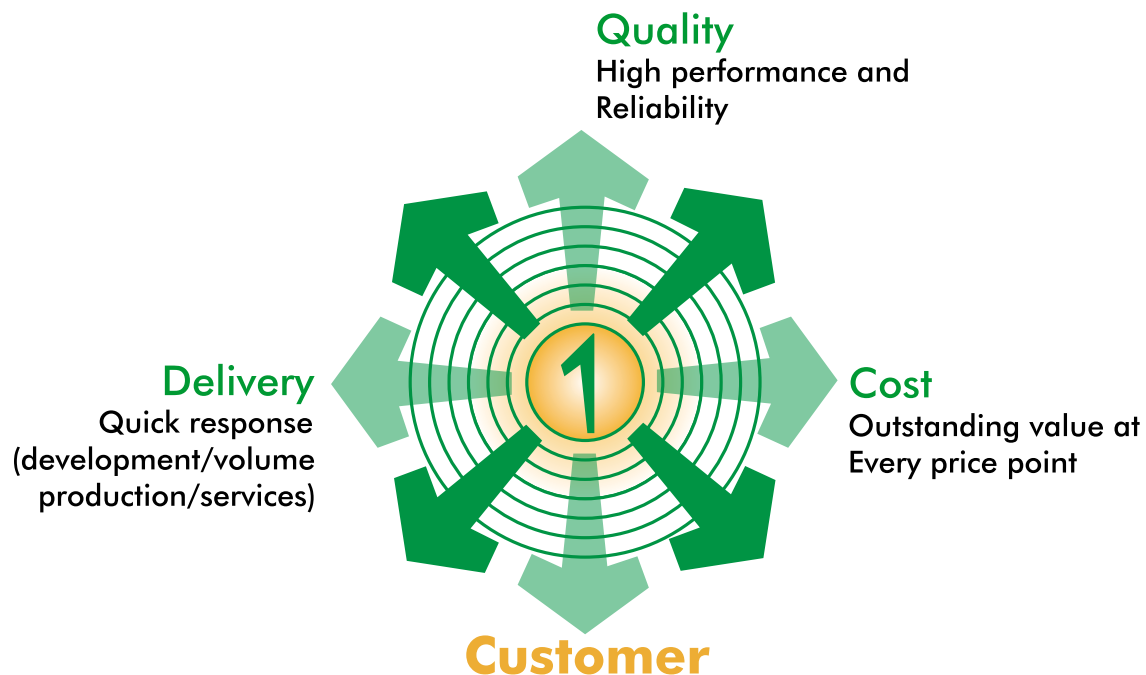

# QUALITY POLICY

We, at **PSG**, aim to become one of the leaders in the industries that we operate in the Kingdom of Saudi Arabia, which will be achieved by :

- Providing products & services which conform to customer specifications.
- Delivering products & services on a timely basis.
- Supplying products & services with a competitive price without compromising quality.
- Enhancing customer communication.
- Providing proper training on the quality management system to all staff.
- Monitoring and measuring the performance of the quality management system and processes regularly and taking actions to continually improve the processes of the quality management system.
